EISAI ANNOUNCES ENDORSEMENT OF TASK FORCE ON CLIMATE-RELATED FINANCIAL DISCLOSURES (TCFD) RECOMMENDATIONS

Eisai Co., Ltd. (Headquarters: Tokyo, CEO: Haruo Naito, “Eisai”) announced today its endorsement of final report of Task Force on Climate-related Financial Disclosures (TCFD).

TCFD is a private sector-led task force established by the Financial Stability Board (FSB) as the request of G20 finance ministers and central bank governors. TCFD has announced the recommendation to understand and disclose the financial impact of climate change on its business.

For details, please visit TCFD website <https://www.fsb-tcf.org/>.

Eisai addresses reduction of risk and creation of opportunity by understanding the effects from the mid- and long-term climate change to business. In addition, Eisai is aiming for proactive contribution to transition to low carbon economy with TCFD framework and is expanding the information disclosure sequentially by advancing the analysis and response.

Eisai’s corporate philosophy is to give first thought to patients and their families, and increase the benefits that health care provides as well as address diverse healthcare needs worldwide. Based on this *human health care (hbc)* philosophy, Eisai will strengthen the activities for climate changes and contribute to ensure the society sustainability.
