- (Note 1) Numbers of each item in a tax jurisdiction are sum of each subsidiaries' stand-alone P&L, thus the total numbers of each item in this table are not equal to them in the consolidated financial statements.
- (Note 2) Income taxes – accrued decreased due to capital losses in tax accounting at the Company following a repayment of paid-in capital from a U.S. subsidiary to the Company in order to resolve cash imbalance in the Group.
- (Note 3) Income taxes – accrued decreased due to a reversal of provisions in accounting on income taxes in the United States.
